Wirrabirra School is an ALLERGY FRIENDLY SCHOOL. What does this mean? It means that we will respect the individual needs of students who have identified allergies (with care plans) to such products as nuts, milk and eggs to name a few. In particular, food products that have nuts or are made from nuts should NOT come to school - ie: peanut paste, Nutella and nut bars. Our canteen is "nut free" to accommodate individual students with special needs.

FROM THE PRINCIPAL'S DESK

Dear Parents, Carers and School Community

Dear Parents and Carers,

On behalf of all staff, I extend a warm welcome to all families for the start of Term 3. This is always a busy and productive term of student learning and we finish with a Learning Journey on the last Wednesday of term to give you an opportunity to review progress. I trust you were all able to successfully download student reports and have taken the time to discuss these with your children. If you were unable to access the report please see the class teacher or front office staff to ensure all settings are correct. Please discuss any concerns you have with your child's teacher.

★ SCHOOL REVIEW

You will be aware we underwent a School Review last term and have received our report from Melesha Sands, Deputy Director General, Schools. It was noted in her

correspondence the commitment to building positive staff and student relationships and authentic partnerships with families and the community. This together with our focus on high expectations and building a culture of personal improvement to support the continuous improvement of teaching quality, is to be commended.

The full report can be viewed on our website. <http://www.wirrabirra.wa.edu.au/>

★ ENROLMENTS FOR 2022

Just a reminder that we are in the planning stages for next year and enrolments for Kindergarten and Pre Primary students are now due. To secure places and the best outcomes for your child, it is critical to complete an application for enrolment. Please see the front office team if you have any difficulty or are unsure of what is required. We would love to welcome you to our school and are waiting to assist you with a smooth transition to school. If you know anyone who has not enrolled, please ask them to ring us for information and help. Thanks.

★ GRADUATION SHIRTS

Orders for Graduation Shirts are coming soon with the new design for 2022. Please make sure you are prompt with returning orders so we can have the shirts ready before the start of the new school year. I'm sure your children will remind you as well. Our new faction shirts are arriving soon which will make sports days with Mr Trenberth and the carnival very colourful. Special thanks to Kylie and Jody in the uniform shop who are working hard to keep our students looking great.

★ SCHOOL FETE

The P&C are in the early stages of planning for our Fete – Moonlight Markets scheduled for Friday 5 November. It would be lovely if each class had a group of parents prepared to help out with ideas, planning and helping on the night. Please talk with your teachers if you would like to support your child in this way and see Kylie or Jody to let them know your interest. We are looking forward to a great family night and the opportunity to raise some funds for your school.

★ BOOK WEEK AND BOOK FAIR

This term we will be acknowledging Book Week with activities in the classrooms as well as a Dress Up Day on Friday 27 August. The theme for Book Week is Old Worlds – New Worlds – Other Worlds, which can be weaved into almost any book title to help you with costumes.

The P&C guided by Nic will also be holding a Book Fair in the Library from Thursday 16 September to Thursday 23

September. There will be a huge selection of books that students can purchase each day and also on the Wednesday evening of the 22nd September when we hold our Learning Journey. Thanks Nic for supporting us so well and promoting the power and importance of reading.

★ LEARNING JOURNEY

Our Learning Journey is set for the last Wednesday of term, 22nd September. This is an opportunity for families to visit classes and learning areas to view students work and see the learning areas children engage in. It will run from 5 to 7pm and I hope to see you take the time to allow your children to guide you through what school is like for them and what they have achieved.

Other Events and Information

- Next Friday 13 August, Mr Trenberth and Wirrabirra host the Cross Country at Lumen Christi College. Best of luck to our athletes who are training hard.
- Friday 20 August, Mrs Connolly takes our Choir to the One Big Voice performance at the RAC Arena.
- Year 6 Students go to Point Peron Camp from Monday 13 September to Friday 17 September.

Term Calendars went home with students last week and it is also attached. Please keep it handy as a reminder of what's on this term.

Thanks for the great start to Term Three. Take care and be safe.

Regards, Steve Richards, Principal

Chaplain's Chat

Dear Parents/Guardians and Staff,

Welcome back to term 3! I hope all goes well for you at work, school and home. For families who are new to Wirrabirra the Chaplaincy service is located next to the uniform shop. I am available for appointments from 8:30am—4pm on Tuesday and Thursday. Please leave your contact details at the office if you would like an appointment and I will get back to you.

Something to ponder...

In life, you discover that there is a role for everyone you meet. Some will test you; some will be unkind; some will love you and some will teach you. But the ones who are truly important are the ones who bring out the best in you—who will 'stay the distance' through the good times, the difficult times and even when you fail. They are the people who remind you why it's all worth it.

God bless and have a great term.

ESC NEWS

Dear Parents/Carers

Our term started by welcoming several new students and families to our school. Welcome to Shehzad in B5, Olivia, Bibi, Ira, Henare, Isaac, Mason and Jordan in B4 and Eligh in TLC. We are super thrilled to have these students and their families as part of the Wirrabirra community and look forward to working together to help the students achieve many goals.

Your child's class teacher will be in contact with you very soon in regard to organising a time to meet with families to have your child's semester 2 IEP meeting. It is important that we meet with you to discuss the progress your child made in semester 1 along with focus' for the new semester. Make sure you take a moment to look at the students work and photo display in the admin area when you come in for your meeting.

This week was the first of our 7-week soccer program the students will be participating in. Julie from Football Australia will be the coach running the program. We are hoping to improve our skills and be super prepared for the ESSN Soccer Carnival next term. This program is funded by the sporting school grant we were lucky enough to be successful in obtaining once again. As usual Miss Nikki was keen to snap some action shots of the students playing soccer so make sure you keep an eye out for them on our Facebook page.

Next week all students will participate in a Bunnings Workshop. Students will have the opportunity to make a bird feeder. This workshop is part of the prize we won last year for winning the people's choice award for the scarecrow we entered into the Royal Show competition.

During week 7 of this term we will be celebrating Book Week. Lots of activities will be done throughout the week focussing on books and reading. On Friday 27th August students will be able to dress up as a book character. There will be a book parade that students can participate in for the students who dress up. The theme for book week this year is old worlds, new worlds, other worlds.

Congratulations goes to Isabella in TLC who will be joining the school choir at the One Big Voice Festival on Friday 20th August. She is very excited for the opportunity to perform at the RAC Arena!

Kind regards

Julie Dawson

P&C REPORT

Hi Everyone

Book Club is due Monday 9th August .Payment can be handed in to the office or pay online.

We are holding a Father's day raffle this year, tickets will come home next week!! There will be a 1st, 2nd and 3rd prize to win!

We have such a busy 4th term coming up with our Sports Carnival, our very first colour explosion fun run and our wonderful Moonlight Markets!

We need more helpers to join our fundraising committee to help make our Moonlight Markets come together. You can leave your contact details with the wonderful office staff.

The first lot of Faction Shirts have now been ordered. We will be placing another order before our sports carnival. Parents and Teachers are welcome to order one for themselves to support their faction. \$24 for kid's sizes 2-14 and \$26 for adult sizes S-3XL

2022 Graduation shirt order forms will be getting sent home at the end of this month. So keep an eye out for your form year 5 parents!! They will be \$36 each, ordered and supplied through a different company! A sizing kit will be in the front office :)

Our next P&C meeting is held on Monday 6th September at 7pm in the school staffroom. The P&C need more volunteers to ensure we can continue. We would love to have more people attend and give input and fresh ideas on fundraising and other events.

Thankyou
