Wirrabilra School is an ALLERGY FRIENDLY SCHOOL. What does this mean? It means that we will respect the individual needs of students who have identified allergies (with care plans) to such products as nuts, milk and eggs to name a few. In particular, food products that have nuts or are made from nuts should NOT come to school - ie: peanut paste, Nutella and nut bars. Our canteen is "nut free" to accommodate individual students with special needs.

### FROM THE PRINCIPAL'S DESK

*Dear Parents, Carers and School Community*

Term Four has certainly started well with all classes very busy completing teaching programs, sports carnivals and colour runs with the Interschool Sports and Fete next week. Our ability to complete these successfully demonstrates the effort and commitment from our staff, P&C and families to be connected and aim for excellence.

### ★ FACTION SPORTS CARNIVAL

The faction sports could not have run any smoother with fabulous weather and organisation from Mr Trenberth, all staff and our fabulous P&C who raised over a \$1000 dollars with their catering. Thanks also to all those parents, carers and families who attended to support their children and create the picnic atmosphere that makes our sports day such fun.

The preparation by Mr Trenberth with staff and students ensured 100% participation and a fully inclusive event giving all students the opportunity to experience competition in a safe and fun way. Well done to all students and in particular the student Faction Leaders who managed their teams and spurred them on to do their best. Thanks to Mr Steve Jeffels our Grounds Person for his terrific effort to prepare the oval and make sure everything was just right for a great day. A big thank you to our P&C who provided food and drinks for all and worked so well to contribute to the day. Kylie and Jody from the clothing pool worked so hard with suppliers to make sure all students could have their faction shirts for the day. Again what a huge effort. Thank you all for your willingness to excel. Congratulations green faction on winning this year and to gold faction for earning the most spirit cup points.

### ★ COLOUR EXPLOSION FUN RUN

Last Friday we had an absolutely wonderful afternoon with the Colour Run fundraiser organised in conjunction with your P&C and the school.

I'm sure you have heard from your children how much fun they had and how they enjoyed the event. I bet they didn't forget to tell you Mr Wallington brought the fire truck along with his crew and added a little extra water to the experience. There was a genuine feeling of excitement and it was lovely to see so many students joining in with their friends and having fun together. Special thanks to Kylie and Jody your P&C President and Vice President and to all the families who joined in to make the event so much fun.

The purpose of the Colour Explosion Run was to replace our Lapathon as a fundraiser and with your support we were able to raise \$4,629.18 to support our school. Thank you all for the funds raised and the support on the day for our children right down to our lovely Kindy children.

### ★ TIME CAPSULE

Last week we unearthed the time capsule buried in 2000 to reveal some very interesting mementos from the past. These will be on display at the Fete along with our new Time Capsule that we will bury very soon as a record of our school to be dug up in 2045 which will be the 70<sup>th</sup>

anniversary of the opening of Wirrabirra. Last year was the 50<sup>th</sup> given the school was built in 1970 but with COVID we carried the celebration over to this year. I would like to invite you all to view what was revealed and what is being put in the new time capsule. You may even have a copy of a photo from your time at Wirrabirra you would like included. Please see Jody or Kylie for details.

### ★ FETE / MOONLIGHT MARKETS

Next Friday from 5pm to 8pm Wirrabirra is having our biennial Fete. The P&C have been working behind the scenes to make sure there will be lots of stalls, food and fun for our Wirrabirra families and visitors. I would like to invite you all to join us to support our school. I do ask that you check with your class teachers to see when and how you could assist on the night. This is mostly taking a half hour to help out on your child's class stall. I would love you all to feel part of the night and contribute to the event. Looking forward to seeing you all at the Fete.

### ★ CLASS STRUCTURES FOR 2022

Planning is progressing well for 2022 and enrolments are steady. I am delighted we are able to open a third Kindergarten class to provide places for all our children to give them the best start to their school experience.

If you are moving and will be attending a new school I ask that you let us know. This helps me structure classes and avoid the need to restructure once the year starts.

At this stage we have not placed teachers against proposed classes and we have not finalised all teachers for next year. If you do however wish to make a request for a particular teacher I will endeavour to accommodate your wishes where possible. I have great faith in all our staff and know they will all work very hard to make the learning experiences both challenging and rewarding for your children.

### ★ QUICK UPDATES

# ESC NEWS

Dear Parents/Carers

The term has started with a bang with lots of things happening. The staff returned to school on the Monday and participated in a one-day Key Word Sign course. This was run by an accredited Key Word Sign Australia Tutor. The staff got lots of great tips and learned a multitude of new signs along with the theory and research as to why to use Key Word Sign along with the benefits of it. It has been great to see staff using more signs when communicating, along with students having a go when they are communicating their needs and wants.

Paige the Possum from the Paint the Highway REaD initiative came to visit on day one. Paige, like many of our students is nonverbal and used Touch Chat to read us the 'Never Touch a T Rex' story. Special thanks goes to Mrs Audrey Turner from the Gosnells Child and Parent Centre for bringing Paige for the visit

Our Sport Carnival was the highlight of week 1 with all students participating and enjoying the day. I think I saw every student with a ribbon or sticker from at least one event that they participated in. A special thank you goes out to the B2 team who were supported by staff across the ESC who set up the shaded sensory station within the basketball courts. This area supported our students in having a calm shaded space to support their needs ensuring their time at the carnival was successful. I know the ice on the hot day was a great hit with many of the students.

A big thank you goes out to the P&C who did a marvellous job coordinating the Colour Explosion fun run. This event from week 2 would have to be in the category for the highlight of the year for many of our staff and students. The joy and smiles on everyone's faces indicated just how much fun they all had. Being wet by the fireman was an added extra to add to the fun. Congratulations to the P&C who raised a significant amount of money by including this in their fundraising schedule. Thank you to the Ed Support families who supported this event by getting sponsors to donate for this event. I know in the Ed Support we can't wait for it to be back again next year!

Congratulations goes to Lila from B1 who raised the most money and received a scooter donated by our local member of parliament Terry Healy. Thank you to Lila and her family for the outstanding effort in fundraising for our school.

Week two also saw us begin our four week Ten Pin Bowling program. This program was partially funded by our successful sporting school grant for term 4 with parents contributing the gap. Students enjoyed the first week and we are excited to see how their skills will develop with the sequential sessions.

This coming Friday we have the ESSN Soccer Carnival for our Years 1 to 6. Last term we had weekly soccer sessions in preparation for this event and have been busy practicing this week in our teams. Keep an eye on our Facebook page for photos from this fabulous event. If you haven't returned payment or your permission slip, please do so ASAP. Without this, your child can not attend and will participate in a program back at school for the day.

Last week we were given the exciting news that we were successful in receiving a grant from the Variety Club. Mrs Taryn Hansen submitted an application for funds to purchase specialised bikes for the students in our centre. The school is thrilled to have received \$10 000 to put towards these bikes. Thanks for the hard work and time goes to Mrs Hansen for submitting the successful application. She will be busy ordering and checking out what's available over the next months.

If you are considering using the School Bus to transport your child to and from school next year please go online to [www.schoolbuses.wa.gov.au](http://www.schoolbuses.wa.gov.au) to submit an application. If you already utilise their services there is nothing you need to do, however for Year 6's moving to high school if you would like to continue utilising the service you will need to submit a new application. Please see Bec or Julie in the office if you would like more information or support in submitting an application.

Kind regards

# Chaplain's Chat

Hello Everyone

Welcome back to term 4 at Wirrabirra. I trust you had a refreshing break. Our first week included an exciting and colourful faction carnival. Thankfully, we had lovely sunny weather for the day. The event is a great opportunity to experience the spirit of community with parents and grandparents coming together to support and enjoy the day with their children and staff who work so hard on their behalf. Each faction did a wonderful job of cheering and supporting their colour. I chatted with several students who were excited to tell me of their sporting achievements. I noticed generosity and kindness when a child offered one of their stickers to another who had lost their sticker. A seemingly small thing but some of the character traits that need to be amplified and encouraged in our children. Parents with more than one child participating were doing their best to not miss each child's events. I was reminded of sports carnivals with my children and the challenge of being in two or more places at once – seeing one child finish an event and turning just in time to see another but sometimes missing them as well. It was wonderful to hear parents and staff cheering and urging students across the finish line in a race or to complete an event whether they were in the lead or not. 'Running the race' – a metaphor for so many things in life, like, finishing what you start; staying focused on the goal; holding your own alongside others. And wanting and needing to achieve something on your own but also needing the support of others. To know that doing your best is all that is required and to know that there may be tears when there is a less than desired result but that is okay because life is disappointing at times. Apart from being fun, there are so many life lessons to be learned for children in participating in an event like this and I was glad to be a part of the day.

I pray that you are successful in 'running your race' and achieving your goals this term and that you enjoy good health and good relationships.

God bless

*Helen Ivatts*

## Guiding Behaviours

Most parents and carers would like their children to do the right thing - even when they're not looking.

The child's brain is a work in progress and is developing at the rate of millions of connections a day. The way we respond, as parents and carers, can greatly influence how and what they learn. It can also affect a child's self-regulation, emotional control and decision making.

**Lifeline is committed to raising the awareness of domestic and family violence.**

**2-Hour DV-aware is an interactive workshop where participants can learn how to recognise and respond to domestic and family violence and what they can do to help make a difference.**

### Why DV-alert?

DV-alert is led by experienced trainers dedicated to reducing violence against women and their children. Our 2-Hour DV-aware workshop provides a safe space to learn, connect and be empowered to recognise and respond confidently to those in crisis.

### What will I learn?

In attending our 2-Hour DV-aware workshop you will:

- know how to identify the different signs and forms of abuse that constitute domestic and family violence
- learn about the Cycle of Violence and the Power and Control Wheel (The Duluth Model)
- reflect on and share what you can do if you know someone who is experiencing domestic and family violence
- have an opportunity to network with other individuals
- receive tools and references for domestic and family violence support and referral.

### Who is it for?

- Anyone living in Australia.
- Minimum age: 18-years-old.
- Also suitable for organisations.

### Cost

This workshop is free for adults. DV-alert training is funded by the Australian Government Department of Social Services.

### How do I enrol?

To enrol in a session please visit [dv-alert.org.au](https://dv-alert.org.au).
